1. It's all over but the shoutin! The shouting "continues", not; but what am I SHOUTING about? The notme, has become ME! And I am "SETTLED, about all THAT now!"

2. I love you all. As I drive this little van, this day after "Thanksgiving Day" that so cataclysmic was, in the eyes of the notme, not; but *what did I post? What posted -- where was I* when posting that which I became; the notme, not; but that which heals legs and tongues and; wagging not about me, but reading "Waggy's free" now shall we again, please? Yes, we shall -- be the healers now that we are and freed men and women and all will be SHOUTING HALLELUJAHS again. Amen.

3. Go in peace. Exclaim THE DAY IS HERE! And IN YOUR HEARING ALL THIS IS FULFILLED NOW! AND ALL WILL NEVER BE THE SAME AGAIN! Hallelujah. Amen.

4. This is me -- commonly, known as Theodore Cottingham loving you all to be as I am what I am where I am and I am I am being, I being one again in the earth and farther, much much farther than your "mind" can ever take you without me, for only you will carnally see, but for me, who otherwise is not you, not; or I were you all the time -- were we not? But now you will all know for I have one who stands and shouts -- hallelujah!

Amen
